## Product Guidelines

Maximum service life of 5 years (shell) & 1 year (suspension) from the time of first use  
Never alter or modify the shell or suspension system  
Inspect the hard hat each time before use and replace if there is ANY sign of damage  
Replace hard hat after it receives a considerable impact  
Accessories such as liners have not been tested to the requirement of this standard  
Clean only with mild soap and lukewarm water  
Store hard hat in a clean, dry place that is out of direct sunlight  
Do not use paints, chemicals, adhesives, gasoline or similar substances on the hard hat  
Labels are acceptable if they do not affect a hard hat's protective rating or make it difficult to find damage
